Board Rejects Plea To Speed Health Survey

Action Again Delayed After Arguments Are Heard

Refusing to be budged from their position despite insistent demands from representatives of more than a dozen civic, labor, and health groups, the board of supervisors Tuesday delayed once more its official request for a United States Public Health Service survey of the county health department.

Before it would act, the board demanded to know:

1. What the survey proposed to accomplish.
2. How much it would cost.

Latest information offered was that the survey, originally proposed as a "free" service, would cost about $300 in this county, and that a similar survey had cost $1500 in Alameda County. The board voted to call in a representative of the U. S. service at its Nov. 29 meeting. Supervisor John W. Poole guaranteed that he would vote "yes" or "no" on the proposal at that time.

Tilden Files Suit in S. F.

The Fleishhacker group, facing court attacks from three sources, today had answered back with a $560,000 libel action filed in the San Francisco Superior Court.

The complaint was signed by T. C. Tilden, vice president of the Angelo California National Bank, and named as defendants E. H. Denicke and W. Sawyer Snook.

Tilden's suit grew out of a notification to bank officers which preceded Denick's filing suit in federal court for a $3,500,000 judgment against Herbert Fleishhacker of Atherton, Mortimer Fleishhacker of Woodside, and others for asserted fraud and conspiracy to violate the national banking act.

The statement to bank officials was issued about Oct. 11, Tilden claimed, with "malicious" intent to "injure, disgrace, and defame this plaintiff, and to bring him into public discredit as a business man."

Tilden asked $250,000 actual damages and $250,000 exemplary damages because of asserted malice in making the charges against him.

The complaint said that Denicke and Snook demanded that the directors of the bank take action against Herbert and Mortimer Fleishhacker, Tilden and others to recover profits alleged to have been received by them as the result of alleged transactions with George Shima, onetime San Joaquin Valley potato king. Tilden said the statements were "false and untrue," and therefor libelous.

Robert Anglim, collector of internal revenue, last week started proceedings to collect $240,000 in income taxes from Herbert Fleishhacker. Fleishhacker previously was ordered to pay $750,000 to French heirs of former bank stockholders.

Elizabeth R. Field Dies at Age 81

Death Monday ended the suffering of Mrs. Elizabeth Rednall Field, widow of George L. Field, who passed away here nine years ago.

Mrs. Field, who was 81, had incurred a broken hip a month ago when she slipped and fell while raking leaves at her home at 50 Whipple Ave. She had been confined since in a San Mateo hospital. Even before her accident, she had been in failing health.

Mrs. Field had lived here for 23 years. Her husband, a cousin of Eugene Field the poet and nephew of Cyrus Field, who laid the first transatlantic cable, had been in the show business for 30 years in San Francisco before he retired. He was a close friend of the late Sheriff T. C. (Brick) McGovern and one of the oldest special deputies in the county, having carried Badge No 2.

Surviving relatives include two sisters, Mrs. Sarah Earll and Mrs. Eva Rasmussen of Sacramento and a brother, William W. Rednall, San Francisco.

Redwood City Chamber of Commerce Board of Directors Tuesday afternoon approved a resolution for expediting traffic between the financial district and the Southern Pacific Station in San Francisco, drawn up recently after several months of study by the Palo Alto Chamber of Commerce.

The resolution requests strict enforcement of laws against double parking on Third St. and of ordinances prohibiting the use of pavement between street car tracks by automobiles, enactment of an ordinance barring parking on Third St. during the morning and evening rush hours, and elimination of one-man street cars on Third St.

It also suggests proper synchron-

HELD FOR LIQUOR TRIAL

Richard Anglasay, proprietor of Dick's Tower in Brisbane, was held to answer to the superior court yesterday by Judge Wade H. Clay on two counts of selling liquor to minors. The two minors were from San Mateo and were 16 years of age, according to Dep. Dist. Atty. Louis B. Dematteis.

Statistics show that 85 per cent of the children in reform schools never attended Sunday School.

Soloist Aids Concert Here

The soloist for next Tuesday night's concert by the Westbay Symphony Orchestra will be Mrs. Marion Hovey Johnson, who has fulfilled many professional engagements in opera and concert, and is now soprano soloist with the Oakland Sinai Synagogue. Her numbers on Tuesday will be Puccini's great aria, "Visi d'Arte," from "La Tosca," one of the finest in the whole range of Italian opera, and Friml's melodious and ever-popular "Toujours, L'Amour, Toujours."

Mrs. Johnson has been rehearsing with the orchestra, by which, at full strength, she will be accompanied.

The program will also feature the Woman's Club chorus, conducted by Mrs. Johnson, in several contrasting numbers. It was originally intended to round out the tonal picture by orchestral accompaniment, but as a search among the files of San Francisco music houses disclosed the fact that the necessary orchestral scores were unavailable on the Pacific Coast, the customary piano accompaniment will be provided, instead.

The orchestra's own selection will be chosen from those rehearsed during its present Fall season and will range from the "Trepak" or Russian dance from Tschaikowsky's "Nutcracker Suite" and excerpts from Gounod's ballet music from "Faust" to a pleasant "conversational piece" dialogue between the solo flute and clarinet.

The concert will be held in the Sequoia High School Auditorium on Tuesday evening, Nov. 22, at 8 p.m. Admission will be 25 cents.

Engine Breaks Down Answering Fire Alarm

Redwood City Fire Department's Engine No. 1 incurred serious damage while answering an alarm at 4:50 p.m. Monday, the apparatus going out of service for more than four hours while a broken drive shaft king bolt was being repaired.

The department responded to a telephone report that the Thomas Vernall residence at 1825 Middlefield Rd., near Pine St., was ablaze. Firemen found the house filled with smoke from an overheated electric refrigerator motor. No damage to the house occurred. The engine broke down at the scene of the alarm and was not back in service until 9:15 p.m.

N. M. Ball Sons Win Contract

Contract for grading and surfacing 8.2 miles of the Ocean Shore Hwy. from Davenport to Waddell Creek in Santa Cruz County was scheduled to start soon following award of the contract to N. M. Ball Sons of Berkeley late Monday by State Director of Public Works Earl Lee Kelly.

The contract price is $232,429. The Associated Press said work planned by the state will bring the total cost to $280,000.

N. M. Ball Sons will complete the La Honda contract Thursday, according to County Engineer U. S. Marshall, and will move the heavy equipment in use there to the coast highway project.

The coast job calls for rerouting the highway to near sea level around Gianone Hill. The present road leaves the coast at Waddell Creek, climbs steeply and returns to sea level near Davenport.

Not more than 10 per cent of a farm's flue-cured tobacco marketing quota may be transferred, according to a recent AAA ruling.

CITYWIDE SAFETY CAMPAIGN PLANNED BY SERVICE CLUB

Sequoia High School Classes, Patrol To Aid Move To Curtail Accidents

A citywide traffic safety campaign, to be effective especially over the coming holiday season in an effort to curtail number and seriousness of automobile accidents in Redwood City, was begun today by the Redwood City Exchange Club following action taken at its meeting Tuesday after a report by A. R. Boyer, committee chairman in charge.

James M. Eva, member of Boyer's committee, reported that a traffic patrol is to be organized at the high school under the direction of the Boys' Welfare Board, which meets Nov. 22. The patrol will guard the grounds and the crossings, Eva said, and the Welfare Board has given full assurance of co-operation with the safety campaign.

The public speaking class at the high school has agreed to train a number of speakers to aid the campaign, Eva said, and the art class will submit designs for a windshield sticker to be used in the safety drive.

Boyer said the other civic clubs of the community would be requested to give their assistance.

The club heard an address by W. W. Fenchuk, safety engineer for the Globe Indemnity Co., who blamed negligence, carelessness and ignorance for most automobile traffic fatalities.

Fenchuk declared equipment defects could be blamed for only 10 per cent of automobile accidents, while pedestrians accounted for 13 per cent of traffic deaths.

"Imagine a catastrophe which wiped out the combined populations of San Carlos, Redwood City and Palo Alto, and you get some picture of the extent of traffic fatalities in the United States last year," Fenchuk said. "Remember the A-B-C of automobile driving: Always be careful."

Young Physician Wins New Trial After Long Fight

Paul F. Eid, former Burlingame physician who pleaded guilty to charges of indecent exposure, served a 90-day jail term, then sued for the right to change his plea to not guilty and stand trial, today apparently had won a protracted court battle against long odds.

According to his attorney, Bernard P. Sharon, the supreme court has refused to review an appellate court decision upholding Judge A. R. Cotton's order for a trial in the case.

The attorney general entered the case as representative of the State Board of Medical Examiners, which suspended Eid's license to practice as a result of his plea of guilty.

Eid was sentenced to jail and fined $100 by Judge Rockwell L. Stone, Burlingame police judge, on Nov. 2, 1937. Eid subsequently charged that he had been double-crossed by Burlingame police and an inspector from the state board who allegedly promised that the city would drop the case if he would plead guilty and leave town.

He filed a writ of error in Judge Stone's court Nov. 30, seeking to change his plea and stand trail. The writ was denied and Eid appealed to the superior court.

On Mar. 18, Judge Cotton reversed Stone's ruling and ordered the lower court to allow Eid to change his plea.

At that point the medical board entered the case and sought to reverse Cotton in the appellate court, then petitioning for a hearing before the supreme court.

The highest tribunal's action gave the state little alternative but to allow Eid to stand trial, according to Dep. Dist. Atty. Burress Karmei.

Sharon, on the other hand, believes that the denial of a hearing by the supreme court ends the matter.

"The judgment of the police court is null and void," he contends, "and Paul F. Eid has served time in jail and suffered the loss of his medical license for an alleged offense that was never committed by anyone.

Eid has filed two $25,000 damage suits.

MENLO PARK NEWS NOTES

NDGW TO HOLD CARD PARTY

MENLO PARK, Nov. 17—Menlo Park Native Daughters of the Golden West will hold a card party in the Central School on Thursday evening, Dec. 1. On Dec. 6 the parlor will entertain the grand president, Edna Briggs of Sacramento. Preparations are being made for her visit, when 20 new members will be initiated. Last Friday after the parade the local organization entertained a luncheon of Bonita Parlor of Redwood City at their headquarters. Both parlors made the best showing in the big parade.

The fire department was called Tuesday to subdue a grass fire near the residence of Mr. Gagan at the Flood estate. The timely arrival of the department saved several buildings.

The season for shooting pheasants opened last Tuesday for six days. Some years ago the State Game Commission placed a number of birds in the lowlands of the county and they have multiplied considerably. Frank Gainer secured two, the limit. There were many hunters out the opening day scouring the tidelands, but only a few birds were taken.

Former graduates of St. Mary's College living in Menlo Park were in a happy mood Sunday as a result of the Santa Clara-St. Mary's game in San Francisco. The many Santa Clara boys here wore sack cloth and ashes.

At a nuptial mass in the Church of the Nativity last Saturday Miss Rose Mary Jost of Menlo Park was married to John D. Wilkie of East Palo Alto, Father Thomas McKeon performing the ceremony. The young couple will live at Woodside.

"Teddy," a valuable hunting dog owned by Edward O'Keefe, was run over by an automobile Sunday. The animal was rushed to a Palo Alto veterinary and given medical attention. "Teddy" left the dog hospital yesterday and in a few days will be ready for the hunt.

Several persons in town who supported Jack Anderson for Congress are laying plans to secure the postoffice. Anderson, being a Republican, will have not patronage from the administration. There will be no change in the postoffice until 1941 and not then unless there is a Republican president elected. From the results of the recent elections it is probable a GOP candidate will be chosen, possibly District Atty. Thomas F. Dewey of New York.

Joseph Bagley of Menlo Park is expected to be appointed to a position under Gov.-Elect Culbert L. Olson when he assumes office in January. Bagley worked diligently and spent much time in his support of Olson.

Menlo Park Post 443 American Legion and Auxiliary will give their regular monthly whist party Friday, Nov. 18, at 8:15 p.m. in Central School auditorium. The ladies are making plans for a Thanksgiving food sale. The junior branch of Menlo Park ALA 443 held their meeting at the home of the junior president, Miss Barbara Blanchard, Saturday afternoon. Genevieve Cook, chairman, assisted the juniors. The annual parish dinner was held last night at Trinity Episcopal Church Parish Hall on Laurel Ave.

Coastside Body Is Identified As Boat Victim's

Theories that a man whose body was found at the foot of a Pedro Point cliff Sunday had been murdered were blasted late yesterday when Mrs. Belle Anderson of San Francisco identified the body as that of her husband, Carl, who was reported drowned last week when a boat overturned.

Her identification was positive, despite two conflicting facts reported yesterday.

Mr. Anderson's two companions on the ill-fated fishing trip had failed to identify the body and Dr. L. A. Dress, Daly City, who performed an autopsy, insisted the man had died of a fractured skull, not by drowning.

With Dr. Drees still maintaining today that there was no water in the lungs of the dead man, Coroner William Crosby advanced the theory that Mr. Anderson had struck his head on the boat as it turned over in the rough water off the point.

Deputies in Crosby's office explained Mr. Anderson's companions, Harry Eagle and John Larsen, had failed to recognize the body because of the effects of sun and water on the corpse and clothing over a week's period and because they did not know Mr. Anderson had several gold teeth.

Mrs. Anderson identified the body by the teeth and by the fact that a toe on the right foot had been amputated.

Deputy Coroner W. C. Lasswell of Daly City had been informed shortly after Mr. Anderson was drowned that one of his toes had been amputated. Lasswell said he was somewhat baffled, therefore, when Larsen and Eagle failed to identify the body which had the same toe missing.

Also unexplained was the report of Burlingame boys who rescued Eagle and Larsen that they had seen Mr. Anderson come to the surface after the boat overturned, throw up his hands and disappear.

Crosby said an inquest will be held but that the date had not been set.

Funeral services were held this afternoon at the W. C. Lasswell & Co. chapel, with interment at Cypress Lawn Cemetery.

'Fun' Club Formed By Atherton Group

Orgapized to do anything from sip cocktails to buy and sell real estate, the "Marching and Chowder Club" of Atherton has been incorporated by a dozen socialites of that city.

The non-profit corporation includes as original members Mr. and Mrs. Winston Churchill Black, Mr. and Mrs. Henry N. Kuechler Jr., Mr. and Mrs. Frederick P. Scribner, Mr. and Mrs. Alfred Ducato, Mr. and Mrs. Arthur J. Kates and Mr. and Mrs. Russell Blackman.

A small black billiard ball worn in the coat lapel is the club insignia.

Articles of incorporation say the purposes of the corporation are "to conduct and engage in those social activities which warrant a gathering of three or more persons and are commonly referred to as dinners, dances, luncheons, cocktail parties or any other known or invented name of an activity which has such a tendency to create an

Rolph Named Member Of GOP Committee

James Rolph III, San Mateo County's popular candidate for lieutenant governor who received the most votes at the primary but who failed to win his own party nomination, has been invited to become a member of the Republican program committee. The invitation was extended Monday by Dr. Glenn Frank, chairman of the body.

"Along with your California colleagues, I feel you have a genuine contribution to make to the work of the Republican party and I hope you will accept membership on the Republican national program committee," Chairman Frank wired.

Rolph telegraphed his acceptance.

Why Get Up Nights
Its Nature's "Danger Signal"

Make this 4-day test. Your 25c back if not pleased. Get juniper oil, buchu leaves, etc., made into green tablets. Flush the kidneys as you would the bowels. Help nature drive out waste and excess acids. This helps soothe the irritation that wakes you up, causes frequent or scanty flow, burning, backache or leg pains. Just say Bukets to any druggist. Willow Road Fees Reduced

Problems facing three south county water districts today appeared to be way on the way to satisfactory solution, following action of the board of supervisors Tuesday afternoon. The developments:

1. Palo Alto Park was formally withdrawn from the Willow Road Water District by resolution in compliance with demands from residents.

2. Engineering and maintenance fees charged against the Willow Road district were reduced from $150 to $100 monthly.

3. Approval was given to a physical connection between the Ravenswood and East Palo Alto District, allowing them to purchase water from San Francisco on a single meter at reduced rates.

Lawrence H. Cook, maintenance engineer for the Willow Road district, informed the board that the work of systematizing the affairs of the district had been completed. All water mains have been mapped, meters and other properties inventoried, consumers listed, and delinquent accounts collected to June of this year. He reported that the district was operating within its budget and may be able to operate without tax income next year.

Necessity of legal consolidation of the Ravenswood and East Palo Alto Districts was removed when San Francisco agreed to a single connection for both, the board was advised. San Francisco will sell directly to the Ravenswood district which in turn will sell to East Palo Alto.

Stanger's History Ready for Printer

Practically all of the copy for the forthcoming history of San Mateo County by Dr. Frank M. Stanger is now in the hands of the printers, and it is expected that the work will be published the week before Christmas.

The volume will be divided into two parts. The first will contain the historical narrative by Dr. Stanger and will consist of 15 chapters, telling the story of the county from the earliest times to date. The second part will consist of about 200 biographical sketches of well known people of the county, both living and deceased.

The book will be illustrated with a number of rare historical pictures, and a considerable selection of portraits. There will be more than 400 pages in the work.
